

### Sleep Medicine Center Director

The Cleveland Clinic Neurological Institute seeks a director for its Sleep Medicine Center. The ideal candidate is a mid-career physician with clinical expertise in sleep medicine, demonstrated scholarship in clinically based or translational research, and managerial experience leading a professional group. The ideal candidate is committed to innovation to push the field of sleep medicine forward. The candidate should have certification in Sleep Medicine and certification in a related core ABMS specialty of medicine, or equivalent.

The Sleep Medicine Center is a cutting-edge clinical and research group that has a national and international reach. It is comprised of a large group of staff physicians representing the specialties of neurology, pediatrics, pulmonary medicine, family medicine, otolaryngology, psychology, and psychiatry. The center operates a central lab and 6 peripheral labs across northeast Ohio, as well as a nation-wide home sleep studies effort. The Center is invested in internally and externally funded research, innovation in digital sleep technology, high reliability, and continuous improvement. Center physicians are active in national professional societies.

Cleveland Clinic is a nonprofit, multi-specialty academic medical center that integrates clinical and hospital care with research and education. Today, with nearly 1,300 beds on Cleveland Clinic Main Campus and 6,026 beds system-wide, Cleveland Clinic is one of the largest and most respected hospitals in the country.

Rich and diverse cultural opportunities establish Cleveland as a vibrant and versatile metropolitan area with an excellent lifestyle. The Cleveland area boasts beautiful and affordable neighborhoods that provide an ideal place for families to live and work. A variety of indoor and outdoor activities, excellent school systems, vibrant arts scene, active civic groups and abundant shopping locations are just a few of the many qualities the city and surrounding suburbs have to offer.

This dynamic position commands an extremely competitive salary enhanced by an attractive benefits package including but not limited to:

- Excellent medical, dental, vision coverage
- Comprehensive disability and life insurance benefits
- Medical malpractice & tail coverage provided
- Generous time away coverage for vacation, sick time, holidays and CME meeting time
- Highly competitive retirement plans with employer contribution
- Faculty appointment available at the Cleveland Clinic Learner College of Medicine commensurate with experience
