## Academic Faculty Neurohospitalist

The Department of Neurology at Atrium Health Wake Forest Baptist is seeking a Neurohospitalist to join our academic faculty.

### Position Overview:

This position is expected to provide inpatient consults, rounding, and after hours coverage for the inpatient service in addition to supporting the teleconsult service.

- **Location:** Winston -Salem, North Carolina.
- **Clinical Focus:** Ideal candidates will be vascular trained to allow for adult general and stroke coverage.
- **Teaching Opportunities:** Engage in medical student, resident and fellow teaching, as well as participate in clinical and laboratory research.
- **Support:** APP and clinical support is provided

### Qualifications:

- **Certification:** The successful candidate will be board certified in Neurology.
- **License:** Eligible for NC Medical License.

### What We Have to Offer:

- **CME Reimbursement:** Receive up to \$4,000 and generous PTO for Continuing Medical Education.
- **Comprehensive Benefits Package:** Day 1 health, dental & vision insurance, competitive retirement plan, tuition concession (upon eligibility) & much more!
- **Paid-Time Off:** Unlimited vacation, 7 paid holidays & 3 paid bereavement days.
- **Relocation Assistance:** Enjoy \$10,000 in relocation assistance, paid within the first 30 days of employment.
- **Career Growth & Stability:** Experience a rewarding career with ample opportunities for advancement and stability, supported by a consistently high patient volume.
