

Job Opportunity: Neuro-Oncologist at Westchester Medical Center

Westchester Medical Center (WMC) is seeking a dedicated and dynamic **Neuro-Oncologist** to join our comprehensive Neurosciences Program. This is a unique opportunity to contribute to a rapidly growing division while practicing at a premier academic medical center renowned for providing cutting-edge care to patients across the Hudson Valley.

Position Highlights

- **Leadership and Collaboration:** Partner with our multidisciplinary team of neurologists, neurosurgeons, radiation oncologists, and medical oncologists to provide integrated, patient-centered care.
- **Academic Excellence:** Engage in teaching medical students, residents, and fellows through your faculty appointment at New York Medical College.
- **Clinical Impact:** Deliver state-of-the-art care to patients with primary brain tumors, metastatic disease, and paraneoplastic syndromes.
- **Research Opportunities:** Access institutional support for clinical trials and translational research. Collaborate with our research teams to advance the science of neuro-oncology.
- **Comprehensive Resources:** Benefit from cutting-edge technology, including advanced imaging, molecular diagnostics, and precision therapeutics.
- **Regional Leader:** Highest volume clinical brain tumor practice outside of NYC.
- **Innovative Therapies:** One of the few institutions nationally offering GammaTile brachytherapy for recurrent GBM.
- **Advanced Imaging:** Utilizes MRI connectomics software for preoperative brain tumor mapping.
- **Cutting-Edge Surgical Techniques:** Offers laser ablation for brain tumors (index and recurrent GBMs) and utilizes Gleolan fluorescence (5-ALA) for GBM resection.
- **State-of-the-Art Radiation Oncology:** Provides precision stereotactic radiosurgery with the Zap-X system for minimally invasive treatment of brain tumors.

Why Join WMC?

- **Exceptional Facility:** WMC is a 1,700-bed healthcare system serving a diverse population of over 2.3 million in the Hudson Valley.

- **Academic Environment:** As the flagship hospital for New York Medical College, WMC offers a vibrant academic atmosphere with ample opportunities for professional growth.
- **Supportive Team Culture:** Join a collegial and experienced team committed to excellence in patient care, education, and research.
- **Location Benefits:** Enjoy the Hudson Valley's unparalleled quality of life, offering beautiful parks, hiking trails, excellent schools, and easy access to New York City.

Qualifications

- Board-certified or board-eligible in Neurology with fellowship training in Neuro-Oncology.
- Demonstrated commitment to clinical excellence, education, and research.
- Strong interpersonal skills and a passion for multidisciplinary care.

What We Offer

- Competitive compensation and benefits package, including health, dental, and vision insurance, retirement plans, and CME allowances.
- Protected academic time and support for professional development.
- Opportunities to contribute to regional and national neuro-oncology initiatives.
- Relocation assistance for eligible candidates.

How to Apply

Interested candidates are encouraged to submit a CV and cover letter to **Tracey Milligan, MD. Tracey.milligan@wmchealth.org**

Join us at Westchester Medical Center and make a meaningful impact in the lives of patients while advancing the field of neuro-oncology. Together, we redefine what's possible in care, research, and education.
