

Join Our Growing Neurology Team at Westchester Medical Health Network (WMCHN)

The Westchester Medical Health Network (WMCHN) is seeking a Board Certified/Eligible Neurologist to join our expanding Department of Neurology at MidHudson Regional Hospital (MHRH). This is a unique opportunity to become part of a dynamic team committed to providing exceptional neurological care to patients across the Hudson Valley and Western Connecticut.

Position Highlights:

- **Diverse Practice Opportunities:** The role offers a balance of inpatient and outpatient care, with flexibility to tailor your practice to your clinical interests.
- **State-of-the-Art Services:** Work within a comprehensive system that includes helicopters mobile ICUs, and advanced tele-stroke services ensuring seamless care for critically ill patients.
- **Academic Engagement:** Participate in clinical care, teaching, and research at WMCHN and New York Medical College (NYMC)
- **Subspecialty Development:** Shape your career by developing expertise in your area of interest and building a focused program within a rapidly growing department.

Why Join Us? The WMC Department of Neurology is undergoing tremendous growth, with robust support for programmatic development, research, and innovation. We are committed to providing a collaborative environment where you can thrive professionally while making a significant impact on patient care, education, research and neurology program development.

Join us in transforming neurological care in the Hudson Valley region while advancing your career in a supportive and growth-oriented academic health system.

Facility Info:

MHRH is a designated stroke center and is the only Level 2 trauma center between Albany and Westchester. MHRH has an excellent reputation for Trauma, Critical care, Behavioral Health and Orthopedics. The hospital has modern interventional facilities and state-of-the-art diagnostic imaging. MHRH is located 75 miles north of New York City and 50 minutes from the Westchester Medical Center Campus. Poughkeepsie is located in the heart of the Hudson Valley, an area surrounded by beautiful mountains as well as the Hudson River, offering an abundance of outdoor activities for residents and visitors alike. Designated as a National Heritage Area, the valley is steeped in history, natural beauty, culture, and a burgeoning food and farmer's market scene. The Hudson Valley also boasts excellent public and private schools with a vibrant higher education culture, as the home to several notable institutions such as Vassar College, Marist College, SUNY New Paltz, Bard College and the Culinary Institute of America, among others.

About Us:

Westchester Medical Center Health Network is a 1,900-bed healthcare system headquartered in Valhalla, New York, with ten hospitals on eight campuses spanning 6,200 square miles of the Hudson Valley. WMCHN is the pre-eminent provider of integrated healthcare in the Hudson Valley. MidHudson Regional Hospital of Westchester Medical Center (MHRH), in Poughkeepsie, NY

is an academic group comprised of three board-certified neurologists that are based at a 200-bed community hospital located in beautiful Dutchess County, about one hour north of Westchester Medical Center

Other:

Westchester Medical Center Health Network and New York Medical College value a diverse and culturally competent workforce. We are proud of our commitment to being an equal-opportunity employer that does not discriminate against applicants based on any protected class status. Individuals with diverse backgrounds and those who promote diversity and a culture of inclusion are encouraged to apply. We seek candidates who embrace and reflect diversity in the broadest sense. Candidates are considered for employment without regard to race, color, sex, sexual orientation, gender identity, religion, creed, national or ethnic origin, citizenship status, age, disability, veteran status or any other legally protected class. Questions or concerns about this should be directed to the Vice Chancellor of Diversity and Inclusion at diversityinc@nymc.edu.
