### **About the University of Illinois Chicago**

UIC is among the nation's preeminent urban public research universities, a Carnegie RU/VH research institution, and the largest university in Chicago. UIC serves over 34,000 students, comprising one of the most diverse student bodies in the nation and is designated as a Minority Serving Institution (MSI), an Asian American and Native American Pacific Islander Serving Institution (AANAPSI) and a Hispanic Serving Institution (HSI). Through its 16 colleges, UIC produces nationally and internationally recognized multidisciplinary academic programs in concert with civic, corporate and community partners worldwide, including a full complement of health sciences colleges. By emphasizing cutting-edge and transformational research along with a commitment to the success of all students, UIC embodies the dynamic, vibrant and engaged urban university. Recent "Best Colleges" rankings published by U.S. News & World Report, found UIC climbed up in its rankings among top public schools in the nation and among all national universities. UIC has over 300,000 alumni, and is one of the largest employers in the city of Chicago.

The University of Illinois Chicago offers a very competitive benefits portfolio. Click for a complete list of <https://www.hr.uillinois.edu/benefits/>.

### **Position Summary**

The open-rank faculty position in neurology within the Department of Medicine and Medical Specialties will be filled by a neurology physician employed 100% by UIC College of Medicine Rockford. This role is dedicated to teaching Neurology to medical students on the Rockford campus. This faculty member will teach Phase 2 Neurology Clerkship students through one-on-one and small group sessions. Additionally, they will collaborate with counterparts on the Chicago and Peoria campuses to ensure consistency and quality in the program.

### **Duties & Responsibilities**

- Precept neurology clerkship students in the applicant's outpatient neurology practice.

- Dedicated time (50%) to direct student teaching
- Observed neurology History and Physical with formative feedback
- Review written neurology History and Physical with formative feedback
- Provide neurology small group lectures and seminars
- Teach neurology examination
- Review neuroradiology with students
- Facilitate case presentations from students
- Precept neurology elective Students or Family and Community Medicine Residents in the applicant's outpatient neurology practice.
- Orientation of students in each block
- Mid-Clerkship feedback to each student in each block
- Collecting and Assigning grades in each block
- Attend (zoom) Neurology ECC College-wide meeting held every 1-2 months
- Work with Chicago and Peoria counterparts to ensure consistency of education between campuses
- Work with Chicago and Peoria counterparts on objective assessment tools
- Participate in quarterly Department of Medicine Executive Committee meeting
- Potential development of Phase 3 electives (Sub-Internship, Interventional Neurology, Subspecialty Neurology)
- Participate in monthly Phase 2/3 Sub-Committee
- Teach in Phase 1 Curriculum
- Mentor medical students in neurology research
- Recruitment of faculty
- 50% Outpatient Clinical work at a UIC Rockford affiliated institution.
- Perform other related duties and participate in special projects as assigned.

### **Minimum Qualifications**

- The faculty position in Neurology, within the Department of Medicine and Medical Specialties, is held by a Clinical Instructor, Assistant, Associate, or Professor rank who has an MD/DO or foreign equivalent degree.
- Board Eligible or Board Certified by the American Board of Psychiatry and Neurology in the field of Neurology at the time of hire.
- Unrestricted Illinois license to practice medicine or Illinois license eligible.
- Excellent communication and interpersonal skills.
- Ability to contribute to an inclusive and respectful learning environment that values diversity, fosters collaboration and promotes dignity and respect for all.

### **Preferred Qualifications**

- Experience teaching in a clinical neurology setting.
- Standardized Patient or Simulation Experience in Education
- Prior administrative experience
