

**FACULTY (OPEN RANK), MULTIPLE SCLEROSIS – NEUROLOGY (OUTPATIENT), MCGOVERN MEDICAL SCHOOL**

[McGovern Medical School](#) at [UTHealth Houston](#), [Department of Neurology](#) is seeking an experienced neurologist at the Assistant Professor rank or higher, tenure-track (depending on qualifications), in our Multiple Sclerosis/Neuroimmunology clinical division. The candidate will join a busy and growing subspecialty practice and be a part of a dynamic department with all neurological specialties represented. In addition to our busy outpatient practice, we have a strong program in clinical trials and ongoing basic research efforts in immunology and imaging. We offer an academic environment with ample opportunities for teaching medical students, residents, and fellows.

**Position Key Accountabilities:**

Clinical responsibilities would include up to five days of clinic a week. Clinical effort will be adjusted based on extramural funding sources, clinical trial funding, educational efforts, and administrative efforts depending on the candidate. Teaching opportunities are available. This position is affiliated with the McGovern Medical School, the 6th largest medical school in the nation, a robust Neurology residency program and a Multiple Sclerosis Fellowship program.

**Minimum Qualifications:**

Candidate must be a graduate of an ACGME-accredited neurology residency, have completed a relevant fellowship, be board-certified, and licensed/license eligible in the state of Texas.
